**CONTEST RULES:**

1. All entrants must show up at the specified time, failure to appear, be ready to go on stage due to lateness or late for judging may result in the disqualification of entrants.
2. All entrants must abide by the costume and weapon policies set forth by Ai-Kon.
3. No mess on stage. It is a danger to other contestants and possibly the audience. Please leave the stage in the same condition as when you entered.
4. Keep it PG-13. This is a family friendly convention so no nudity, profanity or any inappropriate behaviour that may be deemed offensive.
5. You may only enter the contest once, no doubles in skits and walk on's.
6. Respect the M/C. Some names are hard to pronounce. Do not insult the M/C if they make an error. Anyone found to be physically or verbally confronting the M/C in a malicious manner over such issues will be expelled immediately from this year's contest and possibly future years depending upon the severity of the offence.
7. Skits should be four minutes or less unless previously negotiated with the cosplay co-ordinators and given a go ahead.
8. Respect fellow competitors and be mindful of all other costumes backstage to avoid damages.
9. Quiet backstage. There are a lot of people we need to get in order and when the show starts the audience can hear you so we stress that the quieter you all are the smoother the contest will go.
10. I agree to be filmed and photographed by Ai-Kon during the Cosplay Competition.

**Sign here to show that you have read and agree to the above rules and shall abide by them and their consequences should you break them.**
